## INTERNSHIPS AT THE PORT OF HUENEME

**ABOUT THE PORT:** The Port of Hueneme, operated by the Oxnard Harbor District, is one of the most productive and efficient commercial trade gateways for niche cargo on the West Coast. The Port is governed by five locally elected Port Commissioners. The Port moves \$10.85 billion in goods each year and consistently ranks among the top ten U.S. ports for automobiles and fresh produce. Port operations support the community by bringing \$1.7 billion in economic activity and creating 15,834 trade-related jobs. Trade through the Port of Hueneme generates more than \$119 million in direct and related state and local taxes, which fund vital community services. In 2017, the Port of Hueneme became the first port in California to become Green Marine certified and was voted the Greenest Port in the U.S. at the Green Shipping Summit. **INTERNSHIPS:** Port of Hueneme regularly seeks motivated self-starters for intern positions to work with Port staff. Internships are paid positions.

Any interested community member may apply; we encourage students who are enrolled and in good standing in a challenging program leading to a certificate or degree in a business-related field.

A working knowledge of a foreign language is highly desirable as is computer literacy including PC applications, such as Microsoft Word, Excel, and PowerPoint.

Roles and responsibilities can include (but are not limited to): Engineering & Environmental Department support; administrative duties such as filing and document handling; website and other online support; assistance with Port programs including World Trade Center/Foreign Trade Zone administration; helping with community events such as the Port's Maritime Advanced Systems & Technology (MAST) event and World Trade Week; and more.
